Outdoor Training/Competition Fields:

Bradford Soccer Club has access to facilities that meet the LTPD requirements and are capable of hosting competition through:

Henderson Field (1 Field)
Henderson Community Park (4 Fields)

The BSC has access to Five (5) FIFA Regulated size outdoor grass soccer fields (Henderson Field & Henderson Community Park), thus has sufficient numbers of fields to play all the organization's teams games on the same day.

Henderson Community Parks 5 fields have:

- Perimeter fencing –behind goals
- Permanently-marked technical areas
- Permanently-marked "retreat line" indicator
- Soccer-specific in usage

All 5 Henderson fields have a minimum 6 ft run-off around the entire field.

All 5 Henderson fields have grass cover, slope, surface smoothness, have irrigation and proper drainage quality.

Ownership & Access:

We would like to confirm that the Bradford Soccer Club does not have multi-year exclusive licensing or ownership arrangements in place with the municipally, or privately owned facilities in our catchment area that we currently use in the delivery of our various Club programs.

Having said that our Club is guaranteed at a minimum previous year's allocation schedule. Each year, typically in March meetings are held to review past season and to report on any new initiatives for the upcoming year and to modify the schedule. Specifically for the Municipal government the Bradford Soccer Club has first priority for rental requests, as per their facilities allocation guide.

Henderson Field: 3224 Sideroad 10 (off of 9th Line), Bradford, Ontario

Indoor Training/Competition Facility:

Bradford Soccer Club Infrastructure

The BSC has access to the Bradford Sports Dome, thus sufficient Turf field to host competition year round.

The Dome is an air supported structure measuring 200 x 300 feet, with an Infill Turf playing surface that provides incredible comfort for all field sport activities. It is available for training during the winter months of October to April and through-out the summer. The facility is climate controlled (i.e. heating/cooling) as conditions require.

The Dome turf field has a minimum 6 ft run-off around the entire field.

The facility has a 2000 sqft Clubhouse with snack service.

Inside the Dome can be divided into three 90' x 180' fields, secure storage space exists at your facility that could be made available.

Bradford Sports Dome Facility has:

- marked technical areas
- marked "retreat line" indicator
- Multi-sport usage

Ownership & Access:

We would like to confirm that the Bradford Soccer Club does not have multi-year exclusive licensing or ownership arrangements in place with the privately owned facilities that we currently use in the delivery of our various Club programs.

Having said that our Club is guaranteed at a minimum previous year's allocation schedule. Each year, typically in June meetings are held to review past season and to report on any new initiatives for the upcoming year and to modify the schedule.

During the months of May to November, as well as any other time of the year, the Bradford Soccer Club is able to rent and reserve The Bradford Sports Dome Facility through facilities permitting directly with the Dome.

Bradford Sports Dome: 2971 10 Sideroad, Bradford Ontario

Bradford Soccer Club Infrastructure
